Re: Public Records Act Request Regarding All Electric Safety Incident Reports Related to the Thomas Fire
CPUC Reference No.: PRA #18-584

Dear Mr. Martini:

On November 27, 2018, you asked the California Public Utilities Commission (Commission) to provide you a copy of the following:

Please produce all Electric Safety Incident Reports related to the Thomas Fire and provided by Southern California Edison to the CPUC from December 3rd through December 6th, 2017.

The Edison Fire Incident Reports that you have requested are available for download on the Commission's Website [here](#). For additional information regarding the 2017 Southern California wildfires please visit this [page](#). This response closes this request.

Please refer to **PRA #18-584** in your communications with the Commission regarding the above-referenced matter.

Very truly yours,

/s/ Garrett Toy
